

## 2018 ROSE LIST

Our roses are all Grade 1, top quality plants from the best growers . Because of our unpredictable Wisconsin weather, we do not guarantee that they will survive the winter.

**SHRUB ROSES** have clusters of small and medium flowers on full, bushy plants and are very disease resistant. Low maintenance & hardy.

| NAME                  | COLOR                      | FLOWER SIZE  | FRAGRANCE                     | HEIGHT      | NOTES                                | PRICE   |
|-----------------------|----------------------------|--------------|-------------------------------|-------------|--------------------------------------|---------|
